³ The C19RM Investment Committee recommends C19RM Full Funding Requests awards of more than US\$45 million to the Global Fund Board for approval. This amount, measured in aggregate per country, does not include any funding awarded through the C19RM Fast-track process or through C19RM in 2020. The C19RM Investment Committee may also recommend awards under US\$45 million to the Global Fund Board for approval where it determines that the non-health product components of an award are of a nature and scale which raise significant concerns about risk and complexity.

⁴ Estimated funds remaining from C19RM 2020 awards previously approved by the C19RM Investment Committee and carried over to this new award.

⁵ This includes Secretariat approved Fast-track and Full Funding awards for all grants, as well as awards previously approved by the C19RM Investment Committee.
