Notes:

(*) Pledges denominated in currencies other than US dollar are stated at their US dollar equivalents using the rates of exchange on 4 October 2010 as published by OANDA.

(1) Subject to budgetary and/or parliamentary approval.

(2) Contribution for 2011 is pending final decision of the European Union budget authority and formal agreement of the ACP Group. Contributions for 2012 and 2013 in accordance with annual budgetary procedures.

(3) France will reserve up to 5% of its total 2011-2013 contribution to support Global Fund grant implementation in most in-need recipient countries.

(4) Japan will make its contributions amounting to USD 800 million in the coming years.

(5) The amount shown for Kuwait was increased from USD 0.5 million to USD 1.5 million following advice from the donor.

(6) Total pledge is USD 500 million from 2011 to 2015. The Gates Foundation is exploring a new innovative financing mechanism that would allow it to make additional funds available over the same time period.

(7) Based on projections of a successful fundraising campaign of USD 75 million.

(8) The Netherlands strongly supports the Global Fund and will announce its pledge at a later date. The estimate provided is a conservative Secretariat projection.

(9) Subject to the UK Multilateral Aid Review.

(10) Conservative Secretariat projection of funding expected to be contributed from government donors that are not yet in a position to pledge, future increases from existing government donors and contributions from new government donors.

(11) Dependent on market uptake of the financial products (ETFs).

(12) The projection of other private donor contributions is an estimate based on expected results from consumer campaigns, corporate partnerships and major gifts from individuals and foundations, including (PRODUCT) RED and Partners.
