

THE GLOBAL FUND ANNUAL REPORT 2003

Amendment to timeline for Approval of Annual Report

Due to the late circulation of the draft of the Annual Report for comment by the Board, for which we apologize, the Secretariat has amended the timeline for approval of this draft to accommodate additional comments that may be forthcoming. The attached revised draft is based on comments received from Board delegations by 15 March 2004.

The following deadlines are proposed:

1. Comments to be received by latest close of business Geneva time, Friday 26 March;
2. Circulation to the Board for approval by email on Monday, 29 March 2004 with a deadline for response of 5 April 2004.
