

Approval of Phase 2 Funding for January 2010

Confirmed 28 January 2010

Decision Point GF/B20/EDP9:

The Board approves additional funding for the Phase 2 period for the proposals listed in Schedule A in the amounts indicated for each proposal, with the clear understanding that the amounts approved are upper ceilings rather than final funding amounts, and based on an understanding that the Secretariat shall pursue ongoing implementation arrangements for each proposal consistent with the recommendations set forth in its Grant Scorecard. Approval is also subject to paragraph 3.c. of the revised Comprehensive Funding Policy (GF/B20/DP9).⁴

The Board reaffirms that the maximum funding amount for Phase 2 of each proposal shall be the sum of the amount approved by this decision and the amount of any funds approved for Phase 1 which have not been disbursed by the Global Fund at the end of the Phase 1 period.
