Approved by the Board on 4 February 2013 through an electronic vote.

The Board:

1. Approves additional 3-month extensions to Phase 1 ending dates for Ecuador Round 9 HIV and TB grants (ECU-910-G06-H, ECU-910-G08-T) following the “Resubmission Request” recommendation. Additional funding is not provided for these grant extensions while the CCM submits a revised Request for Renewal.
2. Approves 3-month extensions to Phase 1 ending dates with funding for the grants listed in Table 2 in the amounts indicated for each grant, following the “Resubmission Request” recommendation. Additional Funding will be provided to the grants implemented by Civil Society Principal Recipients in order to prevent disruption of programmatic activities while the CCM submits a revised Request for Renewal.

Table 2. Secretariat Recommendations on 3-month Extensions with Funding

No.	Country	Grant Number	Recommended Amount
1	Ecuador	ECU-910-G07-H	USD 358,638
2	Ecuador	ECU-910-G09-T	USD 123,834

Note:

Due to the “Resubmission Request” for these grants an additional 3-month extension and continuation of funding was previously approved by the Secretariat to allow for programmatic activities to continue while the CCM resubmits an updated request for renewals.

This decision does not have material budgetary implications for the 2013 Operating Expenses Budget.
