

GF/B30/EDP4 Decision on the Secretariat's Funding Recommendations for Interim Applicants

Approved by the Board on 20 December 2013 by electronic vote.

The Board:

Approves, in accordance with its decision to launch the transition to the New Funding Model (GF/B28/DP5), incremental funding in the amount listed for the interim-applicant grants in Table 2 (the "Recommended Incremental Funding under the New Funding Model" column), which will be in addition to the relevant grants' total budget amounts that the Board has already approved for the implementation period. The Recommended Incremental Funding under the New Funding Model increases the upper-ceiling amount available for commitment rather than representing the final funding amount for the relevant implementation period, and is subject to the availability of funding and to the provision that the approved funding for the relevant grants shall be committed in annual tranches.
